

# Fall Festival 2009

We are gearing up for another great Fall Festival. This year the fun begins Wednesday night October 28th from 6:30-8:30pm. We are looking forward **to your class's participation.** On the next sheet you will see what you were signed up for last year. If you would like to stay at the same booth, please let us know in one of three ways. You can e-mail Holly at [hpage@fbckeller.org](mailto:hpage@fbckeller.org), e-mail Jim Dempsey at [jdempsey@fbckeller.org](mailto:jdempsey@fbckeller.org) or you can write on the back of this page as to which booth you would like to help in and send it in your attendance folder. You will notice the preschool booths have been added in order to give you more options as to where your class would like to work.. If we have not heard from you by October 7th then we will assign your class a booth. We appreciate anything you can do to make this year a successful one!
